JEWELRY: OPEN WORKSHOP

8 sessions x 4 hrs/Total 32 hrs

Workshop leaders: Lia Staehlin

Maximum number of participants: 6

This workshop is designed to provide an opportunity for students of mixed experience and ability to further develop their jewelry-making skills at their own pace. Both beginners and students who have had some previous experience, will be encouraged to create jewelry based on their own designs within the workshop environment with support available as and when required from the workshop leader. Demonstrations of specific techniques that may be useful to all students will be given as they arise. Through the creation of individual pieces, students will be guided towards finding their own unique means of expression through their work.
